CONSENT TO PERFORM PREGNANCY CONFIRMATION SCAN

Dog Owner Name.....Telephone.....
Address.....
.....Postcode.....Date.....
Date of First Mating.....Date of Second Mating.....

I hereby give permission for Elite Kennel Fertility to perform a pregnancy confirmation scan on my dog (KC Name.....)

I have been informed that my dog will have hair clipped from the abdomen and understand that Elite Kennel Fertility are not grooming professionals and the clipping of hair is purely to aid the view of the abdomen during the scan.

I understand that the scan performed is not, under any circumstances, a diagnosis of pregnancy but a confirmation of pregnancy (performed after a diagnosis has been given by qualified persons).

****No litter sizes can be definite and will not be provided at the time of scanning****
